\* Sunnyside uses the term "minority" as it is defined by the federal government: to designate those populations that have experienced historical patterns of racism, discrimination and inequality in the United States, and under-representation in the educational system, specifically, Afro-Americans, Hispanic (or Latino) Americans, Asian-Americans, and Native Americans.

The admission policy of SCCC does not discriminate on the basis of sex, race, religion, national or ethnic origin, cultural heritage, political beliefs, disability, marital status, or sexual orientation.
